

A Special Thanks to Our Supporters

So many TBBCF supporters play a critical role in helping to achieve the goals of TBBCF. Sponsors provide financial support to cover administrative costs and event expenses. Individuals and organizations donate goods and services to off-set expenses and generate cash donations. Many groups host special promotions or fundraising events and direct proceeds to TBBCF. Thousands of individuals contribute funds directly to TBBCF or sponsor the fundraising efforts of Walk Across Southeastern CT participants. Hundreds of followers volunteer on walk day and a core group of Foundation Leaders dedicate much time to TBBCF all year long. Your support fuels the promising grant recipients who are in search for a cure for breast cancer. The success of the Foundation is dependent on the charity of all of you. Thank you for continuing to invest in our mission.

In Memoriam

TBBCF mourns the passing of our friends. Through their support and that of their family and friends we are able to continue our mission of funding research to find a cure for breast cancer. Thank you to those who donated to TBBCF this past year in memory of Bertha Bachner, Judith Coughlin, Donna Rowe Formica, Michelle Joyce and Deborah Mullin.
