

***Brighton* POWER of PINK Promotion for TBBCF**

“We’re putting our hearts into finding a Cure.”

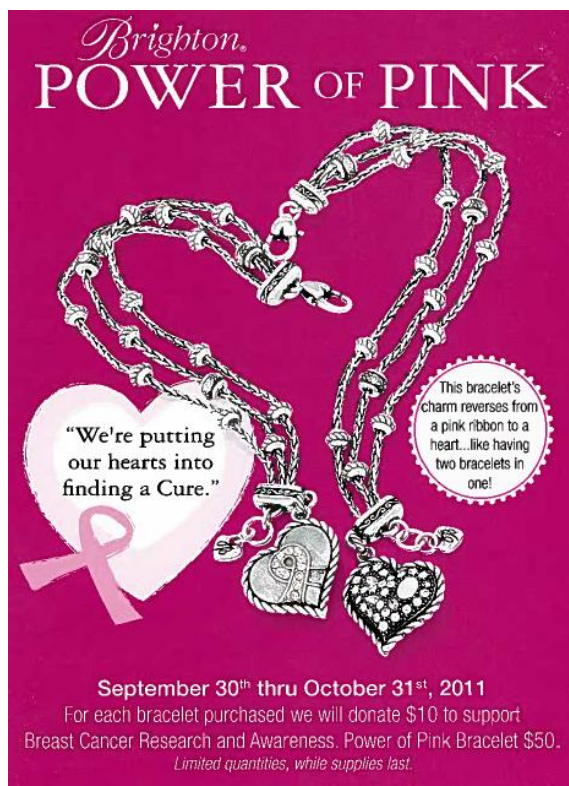

Visit ***Brighton*** at the Mohegan Sun stores through October 31, 2011

To continue making a difference for the many thousands of women and families who have been challenged by breast cancer, Brighton designers created a special bracelet featuring a dangling heart-shaped charm with pave crystals in pink hues on one side and the signature pink ribbon on the reverse. The idea behind this year’s design is that “the word love is a verb, and one of the best ways that we can “be love” is to help to save lives.

For each bracelet purchased for \$50, Brighton Collectibles, at Mohegan Sun, will donate \$10 to TBBCF.

POWER OF PINK

“We’re putting our hearts into finding a Cure.”

This bracelet’s charm reverses from a pink ribbon to a heart...like having two bracelets in one!

September 30th thru October 31st, 2011
For each bracelet purchased we will donate \$10 to support Breast Cancer Research and Awareness. Power of Pink Bracelet \$50.
Limited quantities, while supplies last.

The image shows a silver-tone bracelet with a heart-shaped charm. The heart is split vertically: the left half features a pink ribbon, and the right half is covered in small, clear pave crystals. The bracelet has a chain-link design with a clasp.
