

Thank You 2011 Sponsors

Terri Brodeur Breast Cancer Foundation

Platinum

Pfizer Inc.

www.pfizer.com

Pfizer is the world's largest research-based biomedical and pharmaceutical company. Good health is vital to all of us, and finding sustainable solutions to the most pressing health care challenges of our world cannot wait. That's why we at Pfizer are committed to applying science and our global resources to improve health and well-being at every stage of life. We strive to provide access to safe, effective and affordable medicines and related health care services to the people who need them.

We have a leading portfolio of products and medicines that support wellness and prevention, as well as treatment and cures for diseases across a broad range of therapeutic areas; and we have an industry-leading pipeline of promising new products that have the potential to challenge some of the most feared diseases of our time, like Alzheimer's disease and cancer.

Doherty Beals & Banks, P.C.

187 Williams Street, New London, CT ▪ 860.443.2033

www.dbbcpa.com

Doherty, Beals and Banks is a New London County accounting firm. We feel that the segregation of our staff into various specialized departments – tax, auditing, and management advisory services – has enabled our firm to provide our clients with the proper diversification of services in the most professional and efficient manner possible.

One area of expertise for the firm is non-profit accounting and auditing. It made sense for us to step in and help when our tax client, Norma Logan, contacted us to give her a reference for an accountant with non-profit experience. All professionals within the firm are involved with area non-profit organizations. It's a commitment that we are very proud of.

Diamond

Carlin Contracting Company, Inc.

454 Boston Post Road, Waterford, CT ▪ 860.443.8337

www.carlincontracting.com

As a leader in environmental construction, Carlin Contracting provides clients considerable resources to successfully complete each project. Since 1975, Carlin has completed hundreds of difficult and diverse projects throughout the Northeast and New York including wastewater and water treatment facilities, lined landfills, bridges and schools. We have built and sustained our reputation by providing our clients with exceptional service.

The Logan Family

Thank you for supporting the Foundation and breast cancer research.

Norma Logan (1958 – 2006), Founder TBBCF

Written by Cy Logan 2006

She always gave all she had

Always making sure people do what they're suppose to

Always caring no matter her condition

Always working to fight the cancer

Always working hard to please people

Always trying to improve

Always loving

Had a heart of gold

Had a heart of love

Had a love of dreams

Now she is gone

Old Saybrook High School
